ORDER

Koshy,J.

This review petition is filed contending that the case was wrongly decided. A review petition cannot be equated to a petition for rehearing of the matter or an appeal proceedings. The judgment was dictated in open court. If any error is committed in the judgment, it is for the petitioner to take the matter in an appeal. No grounds are also stated to condone the delay of 91 days. Hence, both delay condonation petition as well as review petition are dismissed.
